Status: Approved

Title: Standards and Rules for NSA Policies

- NSA Policies can be proposed by any member in good standing but must be sponsored by at least one NSA Board Member.
- NSA Policies must be approved by a majority of the members of the NSA Board to take effect.
- NSA Policies modifications can be proposed by any member in good standing but must be sponsored by at least one NSA Board Member.
- Approved NSA Policies are available on the NSA website..
- Policies are numbered sequentially as a number and a revision number (e.g. 12.3)
- Policies can exist in one of the following states:
 - Draft: In work, not yet a proposal
 - Proposed: not yet effect
 - Accepted: Approved by the majority of the members of the NSA Board.
 - Under Revision: The previous version remains in effect until and if the revision is approved by a majority of the members of the NSA Board
 - Obsolete: No longer in effect but maintained as an historical document.

Charles S. Thaeler, III
